

The RAPS Cat Sanctuary is the only one of its kind in Canada and among the largest in North America. The Sanctuary provides a safe, forever home to hundreds of feral, abandoned and surrendered cats, most of whom are unlikely to find a family home. The Sanctuary is at the heart of RAPS' no-kill promise. Under our care, no animal is ever euthanized due to lack of space, treatable illness, physical defect, age, behavioural or socialization issues.
